

# Instructions for Obtaining DCE Live Webinar CEPU Certificates

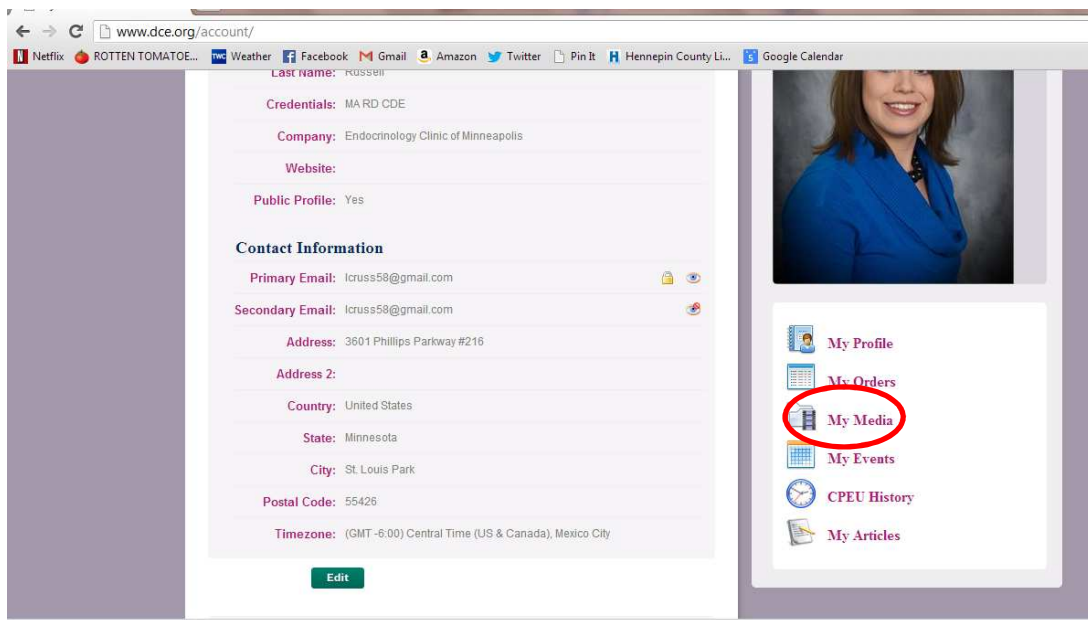

1. Log into [www.dce.org](http://www.dce.org) using your Academy username and password

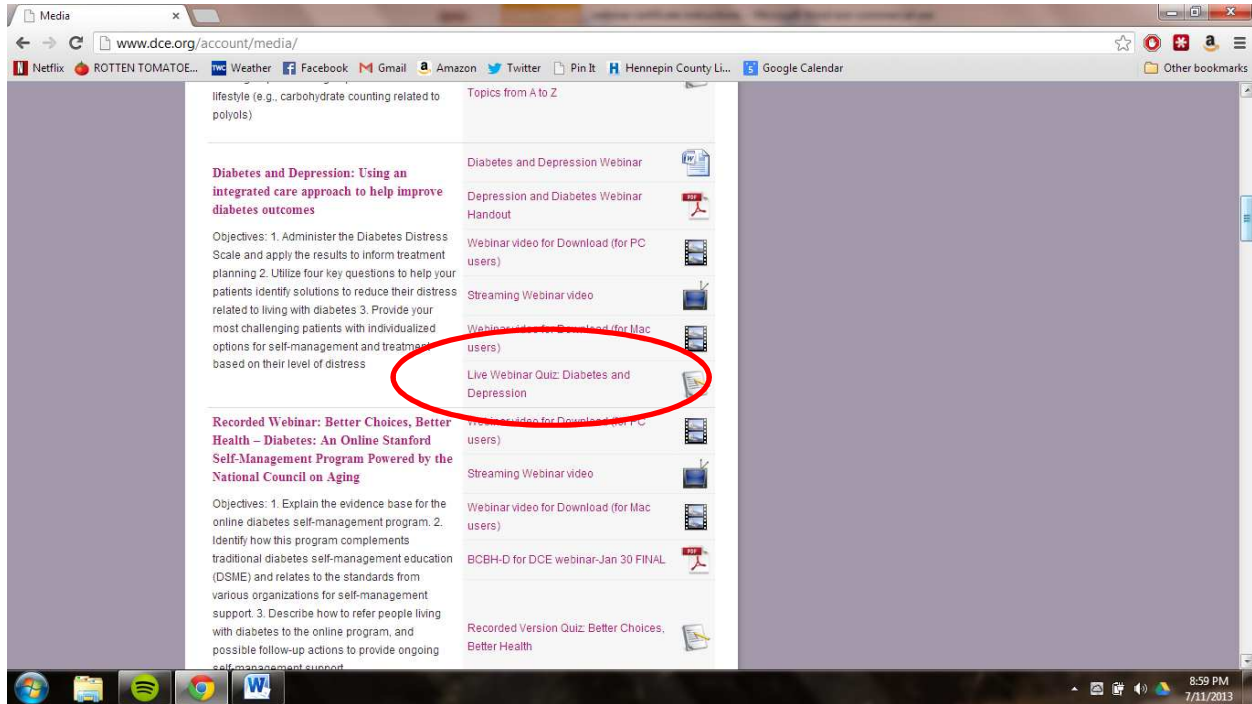

2. Click on “My Profile” in the top toolbar

3. Then click on “My Media”

4. You should see all of the webinars you have registered for through DCE. There will be a “Live Webinar Quiz” that you need to click on and answer the question in order to download your certificate.

5. Once you have answered the “quiz” the certificate will be saved in your “CPEU History” and then the certificate can be downloaded again at any time
